SUBSTITUTE CHECKS AND YOUR RIGHTS

WHAT IS A SUBSTITUTE CHECK?

To make check processing faster, federal law permits banks to replace original checks

with "substitute checks." These checks are similar in size to original checks with a slightly reduced image of the front and back of the original check. The front of a substitute check states: "This is a legal copy of your check. You can use it the same way you would use the original check." You may use a substitute check as proof of payment just like the original check.

This notice describes rights you have when you receive substitute checks from us. The rights in this notice do not apply to original checks or to electronic debits to your account. However, you have rights under other law with respect to those transactions.

WHAT ARE MY RIGHTS REGARDING SUBSTITUTE CHECKS?

In certain cases, federal law provides a special procedure that allows you to request a refund for losses you suffer if a substitute check is posted to your account (for example, if you think that we withdrew the wrong amount from your account or that we withdrew money from your account more than once for the same check). The losses you may attempt to recover under this procedure may include the amount that was withdrawn from your account and fees that were charged as a result of the withdrawal (for example, bounced check fees).

The amount of your refund under this procedure is limited to the amount of your loss or the amount of the substitute check, whichever is less. You also are entitled to interest on the amount of your refund if your account is an interest-bearing account. If your loss exceeds the amount of the substitute check, you may be able to recover additional amounts under other law.

If you use this procedure, you may receive up to \$2,500 of your refund (plus interest if your account earns interest) within 10 business days after we received your claim and the remainder of your refund (plus interest if your account earns interest) not later than 45 calendar days after we received your claim.

We may reverse the refund (including any interest on the refund) if we later are able to demonstrate that the substitute check was correctly posted to your account.

HOW DO I MAKE A CLAIM FOR A REFUND?

If you believe that you have suffered a loss relating to a substitute check that you received and that was posted to your account, please contact us at (818) 367-1057, or write us at P.O. Box 923071, Sylmar, CA 91392. You must contact us within 40 calendar days of the date that we mailed (or otherwise delivered by a means to which you agreed) the substitute check in question or the account statement showing that the substitute check was posted to your account, whichever is later. We will extend this time period if you were not able to make a timely claim because of extraordinary circumstances.

Your claim must include –

- A description of why you have suffered a loss (for example, you think the amount withdrawn was incorrect);
- An estimate of the amount of your loss;
- An explanation of why the substitute check you received is insufficient to confirm that you suffered a loss; and
- A copy of the substitute check [and/or] the following information to help us identify the substitute check: (identifying information, for example the check number, the name of the person to whom you wrote the check, the amount of the check).

FUNDS AVAILABILITY POLICY

This policy is in accordance with the Availability Schedule of Regulation CC, which implements the Expedited Funds Availability Act. The policy will apply to all deposits made at Olive View Federal Credit Union, any Automated Teller Machine (ATM) owned and operated by Olive View Federal Credit Union or any other location at which Olive View Federal Credit Union is conducting business.

YOUR AVAILABILITY TO WITHDRAW

Our policy is to delay the availability of funds from your cash and check deposits. During the delay, you may not withdraw the funds in cash and we will not use the funds to pay checks that you have written.

(11)

DETERMINING THE AVAILABILITY OF A DEPOSIT

The length of the delay is counted in business days from the day of your deposit. Every day is a business day except Saturdays, Sundays, and Federal Holidays. If you make a deposit prior to the branch closing on a business day that we are open, we will consider that day to be the day of your deposit. However, if you make a deposit after the branch closes, on a Saturday or on a day we are not open, we will consider that the deposit was made on the next business day we are open. The length of the delay varies depending on the type of deposit and is explained below.

SAME DAY AVAILABILITY

Funds from electronic direct deposits to your account will be available on the day we receive the deposit. A total of \$100 aggregate deposit per business day will be available on the day we receive the deposit.

NEXT-DAY AVAILABILITY

Funds from the following deposits are available on the first business day after the day of your deposit:

- U.S. Treasury checks that are payable to you
- wire transfers
- checks drawn on Olive View Federal Credit Union

If you make the deposit in person to one of our employees, funds from the following deposits are also available on the first business day after the day of your deposit:

- cash
- state and local government checks that are payable to you
- cashier's, certified, and Teller's checks that are payable to you
- Federal Reserve Bank checks, Federal Home Loan Bank checks, and US postal money orders, if these items are payable to you

If you do not make your deposit in person to one of our employees (for example, if you mail the deposit), funds from these deposits will be available on the second business day after the day of your deposit.

LONGER DELAYS MAY APPLY

Funds you deposit by check may be delayed for a longer period under the following circumstances:

- We believe a check you deposited will not be paid.
- You deposit checks totaling more than \$5,000 on any one day.
- A redeposit check that has been returned unpaid.
- You have had a prior check deposit returned for any reason.
- You have deposited an empty envelope at an ATM in the last six months.
- You have overdrawn your account repeatedly in the last six months.
- There is an emergency, such as failure of computer or communications equipment.

SPECIAL RULES FOR NEW ACCOUNTS

If you are a new Member, the following special rules will apply during the first 30 days your account is open. Funds from electronic direct deposits to your account will be available on the day we receive the deposit. Funds from deposits of cash, wire transfers, and the first \$5,000 of a day's total deposits of cashier's, certified, teller's, traveler's and federal, state and local government checks will be available of the first business day after the day of your deposit if the deposit meets certain conditions.

For example, the checks must be payable to you. The excess over \$5,000 will be available on the ninth business day after the day of your deposit. If your deposit of these checks (other than a U.S. Treasury check) is not made in person to one of our employees, the first \$5,000 will not be available until the second business day after the day of your deposit. Funds from all other check deposits will be available on the ninth business day after the day of your deposit.

HOLDS ON OTHER FUNDS (CHECK CASHING)

If we cash a check for you that is drawn on another bank, we may withhold the availability of a corresponding amount of funds that are already in your account. Those funds will be available at the time funds from the check we cashed would have been

(12)

available if you had deposited it.

HOLDS ON OTHER FUNDS (OTHER ACCOUNTS)

If we accept for deposit a check that is drawn on another bank, we may make funds from the deposit available for withdrawal immediately but delay your availability to withdraw a corresponding amount of funds that you have on deposit in another account with us. The funds in the other account would then not be available for withdrawal until the time periods that are described elsewhere in this disclosure for the type of check that you deposited.

AUTOMATED TELLER MACHINES (ATM) DEPOSITS

Funds from any deposits (cash or checks) made at ATMs we do not own or operate will not be available until the fifth business day after the day of your deposit. The rule does not apply at ATMs that we own or operate. All ATMs that we own or operate are identified as our machines and are subject to the Funds Availability Policy.

COLLECTION ITEMS

On deposits requiring special processing, such as, but not limited to, checks drawn on foreign institutions, credit to the proper account(s) will be made only upon the return of the funds to us.
